

W. C. T. U. DEPARTMENT.
Edited by Mrs. D. E. Knight.

We want to impress upon the voters of the county that the present prohibition agitation is not seeking to deprive a man of his beverage privileges in his own home nor to interfere with his keeping liquor at his home, providing his home does not become a place of public resort. We are striking primarily at the open public saloon as a social and political evil, and we are trying to reach this matter in a sane and consistent way. We know the W. C. T. U. women have become fanatical, but we do not believe there is anything radical or unreasonable in helping a weak man to carry his wife's wages home to his wife on Saturday night. There is nothing fanatical in enabling his wife to send her children to school with good clothes, good shoes and a good dinner in the little basket. Prohibition serves the child as well as the man. It is for the wife as well as the husband. It is for society as well as for the individual. It is for the government as well as the governed. Neither do we think you should call us fanatics in this agitation when the Supreme Court of the United States has said as hard or harder things against the sale and use of intoxicating drinks as the W. C. T. U. has, besides we have shown you by the decisions of this same court that to prohibit the sale and use of intoxicants does not interfere with the personal liberty of any man. Then we ask you what higher authority can we go to in this land than this court to determine the proper construction of what is meant by personal liberty.

We have shown that the courts recognize two effects of liquor when taken in excess, one personal, one social. That it undermines health, weakens morals and creates self-abasement. These effects are confined to the drinker himself. But it also leads to neglect of business, waste of property and general demoralization. These effects reach those who are immediately connected with and dependent upon the drinker. The courts have said that the sale and use of intoxicants leads to crime, debauchery, vice and pauperism, thereby effecting society, government and the body politic.

Besides these facts the saloons have shown you how they corrupt politics and defeat justice by qualifying the low and degraded negro and white man, how they pay the expenses of the so called local option committee that met in Jacksonville to do their bidding, how they respect democracy or any other political parties by bringing out their independent candidates to run for representative against the regular nominees of the party who happens to favor temperance legislation. Yes, they have shown their side and general tendencies and inclinations in this fight already, and we ask you men for whom are you going to vote? Are you going to vote with this saloon element to continue their debauchery, graft and corruption, or are you going to vote for the betterment of your government, your home and the happiness and prosperity of yourself and family. Yes, on which side do you stand? The question is not local option but is whether you favor the sale and manufacturing of intoxicating drinks or not, and upon this question you are compelled to cast your votes.

A WOMAN'S BACK.
The Aches and Pains Will Disappear if the Advice of This Starke Citizen is Followed.

A woman's back has many aches and pains. Most times 'tis the kidneys' fault. Backache is really kidney ache. That's why Doan's Kidney Pills cure it. Many Starke women know this. Read what one has to say about it. Mrs. J. L. Warren, of Starke, Fla., says: "For some time I was a victim of kidney trouble. The kidney secretions were too frequent in passage, causing me great annoyance and I suffered constantly from backaches and dull pains through my kidneys. I could not rest well and in the morning I arose feeling tired and worn out. My back became very lame and I often found it difficult to get around. I at length read about Doan's Kidney Pills and procured a box at the Starke Drug Co. Since using them, I have been free from backache and the soreness and lameness has disappeared. The annoyance from the kidney secretions has also ceased and I am able to sleep well. Doan's Kidney Pills benefited me wonderfully. In fact, I can say that they are the best kidney remedy I have ever used." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Lawley.

Lawley, Oct. 4.—It is with sadness that we announce the death of Mrs. C. W. George, with malaria fever, Saturday afternoon, Sept. 24, and the death of her little daughter, Edna Hester, aged 10 months, Tuesday night Sept. 27. Mrs. George was sick about two weeks before death came to her relief. Besides her husband and two little children, she leaves a mother and brother to mourn her departure. She was about 23 years of age. The funeral services were held at the Lawley cemetery Sunday afternoon following at 3 o'clock, where a large congregation of friends and acquaintances had assembled and was conducted by Rev. H. C. Harris, pastor of the Baptist church, of which she was a member. The funeral services of the little infant were held Wednesday afternoon by Rev. Jas. Antle and the remains were tenderly laid by the side of her mother. The bereaved family have the heartfelt sympathy of the entire community.

Mrs. J. T. Davis, of Green Cove, was the guest of her daughter, Mrs. L. F. Wilson, the first of last week.

After spending her vacation with her parents here, Miss Mamie-Lou Moore returned to her studies in Jacksonville last week.

Mr. and Mrs. George D. Motes, of Hollister, were the guests of Mr. and Mrs. O. L. Thomas the first of last week.

In justice to all concerned your correspondent begs leave to correct an error which appeared in your columns last week relating to the Lawley baseball club feeling chafed over a whitewashing which they administered to the S. A. L. club of Jacksonville a few days ago. There was no whitewashing done but the home boys feel justly proud of the daubing they gave the visiting club. At the beginning of the last half of the ninth inning the score stood 11 to 0, but owing to an error by the home club the visitors made four runs, the final score being 11 to 4.

Mrs. M. E. Edwards, three little children, and Will Edwards returned home last Thursday from Hendersonville, N. C. where they have been spending the summer months.

Supt. J. O. Poppell, of Starke, was a business visitor to Lawley last Thursday.

Mayor G. T. Pearce and W. F. Brown attended the funeral of ex Governor Broward in Jacksonville last Monday.

J. R. Davis, of Starke, was transacting business in Lawley Tuesday.

Misses Jennie and Nellie Wilson were visitors to Jacksonville last Saturday.

A. L. Marsh, of Citra, was visiting friends in Lawley one day last week.

Messrs. Enoch Griffiths and H. B. Bennett, Jr., were visitors to Jacksonville Monday.

Mrs. F. H. Simmons, of Tampa, is visiting her parents, Mr. and Mrs. James Hannon, this week.

Last Sunday night about 10 o'clock fire was discovered in the dining room of the residence of A. H. Harley. An alarm was given and by prompt work the fire was extinguished before much damage was done. The cause of the fire is unknown. The loss will amount to about \$50.

The Philathea class held their regular monthly meeting at the parsonage Tuesday evening, ice cream and cake were served by Mrs. Antle. At the last meeting new officers were elected for the coming year. They are as follows: Miss Elizabeth Edwards, president; Miss Maggie Stalsby, vice-president; Miss Edna Wilson, secretary and treasurer; Miss Lois Edwards, social committee; Miss Jennie Wilson, relief committee; Miss Viola Stalsby, press reporter. The Philathea class will give a moonlight lawn picnic at the parsonage Oct. 18th. All the young people are invited to attend.

Interesting Facts to Smokers.

Do you know that in Cuba, to test Havana tobacco, the leaf is rolled into a cigar and lighted to get the taste, then the light is permitted to go out and the cigar is again lighted, and if the taste is rank and bitter the tobacco is graded as inferior quality. Palm Smokers are always sweet after relighting.

Do you know that you cannot get finer Havana tobacco in any cigar at any price than that which is in a Palm Smoker?

Do you know that Palm Smokers are made by Cuban hand workmen? Every cigar will burn even and draw free—not like cigars that are made in molds.

Do you know that Palm Smokers cost dealers more than any other 5c cigar? That is because they are worth a great deal more.

Do you know that the wrapper and filler of a Palm Smoker comes from the famous Vuelta Abajo district of Cuba, and that the same grade of tobacco is used in the finest brands of imported cigars?

Do you know that if you have not smoked a Palm Smoker, that you have not smoked the best?

Do you know that a Palm Smoker has that smooth, rich taste that is so much sought in high grade Havana cigars?

Do you know that substitutes may look the same as Palm Smokers, but they will not taste the same? Insist upon getting a Palm Smoker, then you know you are getting the best that money will buy.

The price of Palm Smokers is 5c and are for sale at all first-class dealers.

ANNOUNCEMENTS.
FOR MARSHAL.
I am a candidate for re-election to the office of Marshal and Tax Collector of Starke and respectfully solicit the support of the voters. I promise to give faithful and efficient service if elected.
